Designed in New Zealand for New Zealand

# MINI SPOT

## GDL906S

MINI TILTABLE RECESSED LED DOWNLIGHT

Miniature directional downlight with a 40mm aperture. Lamp is deep recessed that helps reduce direct glare from it.

With 3w and 103 lumens it is best suited for residential applications. Above beds for reading, above kitchen tops, niches, enhancing walls in corridors between rooms are some of the areas where these can be used.

Fitting is available in both black and white finishes and they are supplied with constant current electronic drivers with 5 year warranty.
